The image displays two side-by-side screenshots of a mobile application's "Customer Type" selection screen. Both screens feature a dark background with a teal header bar at the top containing a back arrow and the DX logo. The main title "Customer Type" is centered in a large, bold, white font. Below the title is a label "Customer Type *". A dropdown menu is open, showing three options: "Individual", "Corporate", and "Individual" again, with the second "Individual" option having a teal checkmark to its right. At the bottom of each screen is a teal button labeled "Continue". Below the "Continue" button, there is a link "Have an account? [Login](#)".

Choose the relevant customer type, for my case I am moving forward with individual customer type

A screenshot of a mobile application's sign-up or login screen. The background is dark. At the top left is a small circular arrow icon with a green arrow pointing left. In the center is the DX logo, which consists of a stylized 'D' and 'X' in white. Below the logo is the title "Phone Number" in bold white text. Underneath the title is a subtitle in a smaller white font: "Enter your phone number. We will send you a confirmation code". To the left of the input field is a small button containing the Singapore flag icon and the text "+65". Below the input field is a large green button with the word "Continue" in white. At the bottom of the screen, there is a link in white text: "Have an account? [Login](#)".

Now enter your phone number to and click continue

The image displays two screenshots of a mobile application interface for entering a 6-digit code. Both screenshots feature a dark background with a teal 'DX' logo at the top.

Screenshot 1 (Left):

- Header:** '6-digit code'
- Text:** 'Enter the code we've sent to +65 83199862'
- Code Field:** Shows digits 8, 2, 2, 1, 3, and an empty box for the 6th digit.
- Buttons:** 'Resend in 62s' (in orange)

Screenshot 2 (Right):

- Header:** '6-digit code'
- Text:** 'Enter the code we've sent to +65 83199862'
- Code Field:** Shows digits 8, 2, 2, 1, 3, and 8.
- Text:** 'Resend in 6s'
- Button:** 'Verify' (in white text on a teal background)

Enter the OTP that you have received on the mobile number that you have entered and then click “verify”

The first screenshot shows the initial step of the login process. It features a dark background with a teal LNX logo at the top. Below it, the word "Log in" is displayed in white. A teal button labeled "Next" is positioned at the bottom. The main input field is a light gray box with the placeholder text "Enter your email or phone number". Above this field, there is a red asterisk next to the label "Email or Phone Number *".

The second screenshot shows the continuation of the login process. The LNX logo and "Log in" text are visible at the top. The input fields for "Email or Phone Number *" and "Password *" are present. The "Email or Phone Number *" field contains the value "83199862", and the "Password *" field contains a series of dots. A "Remember Me" checkbox is checked, and a "Forgot Password ?" link is located to its right. A teal "Login" button is at the bottom. Below the button, a "Don't have an account? Sign up" link is visible.

Now go ahead and login with the credentials that you just set up (you can use either your phone number or email address)

The screenshot shows the DX mobile application interface. At the top, there is a navigation bar with tabs: Overview (selected), Send Money, Receivers, Transactions, and Reports. To the right of the tabs are icons for a bell and a menu. A green notification bubble in the top left corner says "Logged in successfully".

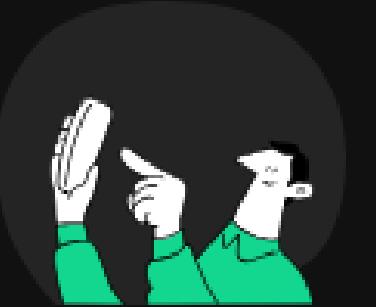

The main content area includes:

- Send Money Home Faster, Safer, Smarter!** with a "Send Money" button.
- Add to Favourites** (Simplify your transfers) with a "+ Add" button and a star icon.
- Recent Transactions** (No Recent Transactions - Your Recent transactions will appear here).
- User Profile:** Aditya Kumar Jha, Member since Sep, 2025. Status: KYC Not Verified.
- Easy money transfers simple, fast, and secure!** with a "Customer Support" button and an icon of a hand holding a smartphone displaying the DX logo.
- Complete your KYC to proceed with the transaction.** with a "Perform Your KYC" button and an icon of two people pointing at a document.

You will now be directed to the homepage of DX, now go ahead and complete the KYC to unlock your wallet and make transactions

The screenshot shows the Remitly mobile application interface. At the top, there is a green header bar with the Remitly logo, a navigation menu (Overview, Send Money, Receivers, Transactions, Reports), and a settings icon. Below the header, there is a promotional banner for "Send Money Home Faster, Safer, Smarter!" with a "Send Money" button. To the right of this is a user profile card for "Aditya Kumar Jha" (Member since Sep, 2020) with a note that "KYC Not Verified". Further down, there are two more cards: one for "Easy money transfers simple, fast, and secure!" with a "Customer Support" button, and another for "Complete your KYC to proceed with the transaction." with a "Perform Your KYC" button. On the left side, there is a "Recent Transactions" section showing "No Recent Transactions". In the center, there is a large callout box prompting the user to "Verify your Identity to complete KYC" with "Steps to verify identity (KYC)": "Upload the photo of front and back of the Govt. issued ID document" and "Click a selfie and submit". At the bottom of this box is a large green button labeled "Yes, I'm ready".

Click on “Yes, I’m ready” button

The screenshot shows the 'Personal Details' form within the DX app. The top navigation bar includes tabs for Overview, Send Money, Receivers, Transactions, Reports, and a notification icon. The form itself has a dark background with light-colored input fields. Each field is labeled with a required red asterisk (*). The fields include:
